This summary outlines the main features and exclusions of the MartialGuard Instructors Policy. It does not provide all the terms, conditions and exclusions that are contained in the policy wording, a copy of which is available on request. A significant exclusion is one that may affect your decision as to whether the policy is suitable for you or where cover is unusual compared to other similar policies available. We have also included additional information which may be of help to you. When you take out cover, you will be issued with a policy schedule detailing the cover provided. The policy wording should be read in conjunction with the schedule. The policy will cover you for 12 months and is annually renewable. It is underwritten by Allianz Insurance plc.
